

INTRODUCING...

Perma-Banner

The Permanent Pole Banner System that Outperforms and Outlasts

NEW

The outdoor, street pole banner system that looks great for many years because it survives the elements without fraying, tearing, shredding, peeling, cracking or deteriorating.

The Only Outdoor Banner System with a 7-Year Warranty!

- **"No Fly Away" Vertical Mounting Bracket**...durable, light-weight, extruded aluminum structure is non-corrosive and has rubber bumpers that provide a secure fit to all popular size street poles and lamp posts
- **Fits all Popular Poles and Posts**...mounting bracket securely fits square, round, triangular, hexagon and octagon post shapes 3" diameter and larger
 - **New Lock-n-Release Changeable Panel System**...allows panels to be replaced or swapped out for seasonal graphics and event changes
 - **Durable, Light-weight .177" Polycarbonate Panels**...panels are inherently strong, flexible, shatter resistant, will not splinter on impact, will not wrinkle, and will not encourage mold and mildew
 - **Easily Creates Custom Shape Banner Panels**...banners can be cut to any desired shape in sizes from 36"H x 24"L to 72"H x 30"L
 - **Bold, Bright Graphics on Both Sides**...Long lasting, UV laminated, eco-solvent printed vinyl graphics resist soiling, are fade resistant, and stay vibrant for many years
 - **Perma-Banner is a "Green Choice"**...with 75% recycled aluminum extrusion and eco-solvent graphics

Outperforms & Outlasts Fabric Banners

Use Perma-Banners and put an end to fly away banners, electrical hazards and utility damages.

The Best Value in Worry-Free Banners

Patent Pending

Stainless Steel Straps easily secure the Perma-Banner System to poles at the desired height

Rubber Bumpers provide a snug fit to posts 3" and larger in diameter while preventing scratches and marring

Tough, Custom Shape .177" Polycarbonate Banner Panels can be cut to any desired shape and will not fray, shred, tear or peel

Lock-n-Release Changeable Panel System uses set screws to lock the panel and attached u-channel securely in the bracket slot while allowing panels to be removed or changed in the future

"No Fly Away" Vertical Mounting Bracket of durable, light-weight extruded aluminum is non-corrosive and provides a secure fit to all popular size street poles and light poles regardless of their shape... round, square, hexagon, octagon or triangular

*Seven Year Warranty applies to a MAXIMUM wind load of 90mph and Howard Industries manufactured Perma-Banner parts ONLY.
