**The Best Value in Worry-Free Banners**

**Stainless Steel Straps** easily secure the Perma-Banner System to poles at the desired height (sold separately)

**Patent Pending**

**Rubber Bumpers** provide a snug fit to posts 3" and larger in diameter while preventing scratches and marring

**Tough, Custom Shape .125" Aluminum Banner Panel** can be cut to any desired shape and will not fray, shred, tear or peel

**Quick-n-Easy Changeable Panel System** uses set screws to lock the panel securely in the bracket slot and allows the panel to be removed or changed in the future

**"No Fly Away" Vertical Mounting Bracket** of durable, light-weight extruded aluminum is non-corrosive and provides a secure fit to all popular size street poles and light poles regardless of their shape... round, square, hexagon, octagon or triangular

\*5-Year Warranty applies only to Perma-Banner manufactured parts and maximum wind loads of 90 mph.
