## ***Did You Know...***

### **These Signs are ready for Immediate Shipping!**

We offer the above compact LED Signs with high demand messages as in-stock units available for same day shipping **when ordered any business day by 4:00pm ET**. These popular energy-saving LED signs are stocked in our warehouse as completely assembled standard units, pre-tested, packaged and ready for deployment to any location. Inventory is carefully rotated through the warehouse, so serial numbers are fresh and signs are always up-to-date. Stock products also include accessories such as switch-plates and LED light engines.
